I Bianchi

Il portfolio dei Bianchi raccogli tutte le proposte produttive realizzate in molteplici formati. Il bianco è alla base di tutto, la "madre" della scala cromatica è l'unico pantone utilizzabile in singolo ed abbinabile a qualsiasi casa.

The Bianchi portfolio gathers up production proposals of the purest of all colors and in multiple sizes, white. White is the basis of all colors. It looks great on its own, works well with contrasting colors, and will complement nicely with just about anything.
